

Colonie Landfill Odor Complaint Hotline

The City of Cohoes and the Town of Colonie take landfill odor concerns very seriously and rely on feedback from the public in order to diagnose these issues. If you are experiencing odors in your neighborhood that you believe are associated with the landfill, we ask that you report this information one of three ways:

- 1) Call the Colonie Landfill Hotline at 783-2827
- 2) Email the Colonie Landfill at ensr@colonie.org
- 3) Email Mayor Primeau at mayor@ci.cohoes.ny.us

The Town of Colonie is required by NYS Department of Environmental Conservation to monitor all concerns raised at the landfill in order to correct and prevent future problems.
