Cohoes City Hall Common Council Chambers
Thursday, August 3th, 2017 at 4:30pm**

Members Present: Daniele Cherniak
Barbara Hildreth
Robert Langley
Also Present: City Planner, Kara McKnight
Absent: Herbert Hyde
Tom Rifenberg

The HPARB meeting was called to order at 4:30pm.

Consideration of a new roof at 22-26 Cataract Street

The applicant explained that 22-26 Cataract Street is in need of a new roof, however to redo the roof in original slate would be too costly. At this time, the roof is composed of three feet of asphalt shingles and then it turns to slate.

The applicant will assemble a new roof with asphalt shingles since it closely resembles slate. These will be the only façade changes to the unit.

Robert Langley makes a motion to approve the application Barbara Hildreth seconds it. The vote was unanimous and the application was approved.

Meeting adjourned at 4:45pm.
